Dedication

When asked to whom this yearbook should be dedicated, the class of 1990 faced a difficult decision. It was impossible to choose just one outstanding person or one specific group of people who have helped us to achieve all of our successes. We finally concluded that many people took part in shaping us to be who we are today and who we will become tomorrow. For that reason, we, the Class of 1990, have decided to dedicate the yearbook to all of the people who have helped us to reach this *moment in time*. It is with deep gratitude that we thank our parents, our families, and our teachers — past and present — for their loving support through the years. Through their help and guidance, we have managed to develop a better understanding of ourselves and of our capabilities. We would like to present our book as a means of saying "Thank you" and "We love you," to all of the people who have played important roles in helping us to shape our lives to this one moment in time.

An appreciative crowd of parents is always there at a home game.

Mrs. Ruta and Mrs. Salina support the Redcoats with another purchase.

Our parents are the people who have stood by us through the good times and the bad. They have comforted us in times of need and praised us in times of victory. We want to use this page to rightfully acknowledge our parents. We love you, Mom and Dad!

Dedicated Redcoat mothers show up for every game.

Mr. Dickinson gives the address at the National Honor Society Induction.

Senior parents cheer on the Berlin teams.

Student Life

A student's life is not easy. After six hours of learning, the day is only half over when the dismissal bell rings at 1:45 pm. Most students rush out of their last class only to run to another room for their extracurricular activities. Whether it be for a sport's practice, a band practice, or a meeting for some organization, these activities enable the students to develop into the best people that they could become during their high school years. Because Berlin High offers a wide range of extracurricular activities, every student can discover and participate in an activity that is of his or her interest and liking. And who knows — maybe these extracurricular activities will create a professional athlete, a concert musician, or, more simply, a well-rounded student with an interest in a variety of hobbies and activities.

STUDENT LIFE

Juniors and seniors show their Berlin High spirit at the dance.

Cara Higgins, Melissa Kramer, Marci D'Amore, and Shawna Kelly enjoy the spirit dance.

Karen Spring, Jill Spendolini, and Meg Kiniry strut their Drill Team routine.

SPIRIT DANCE

Kickin' Up Their Heels

Many students kicked up their heels at the first dance of the year, the Spirit Dance, to display their support for Berlin High and the fall sports season. Sponsored by the cheerleaders, this first major event of the school year was a great success as a wide range of students danced to the wild music and celebrated their return to school.

Stephanie Tully, Sherri Aresimowicz, and Rebecca Powers enjoy the events of the evening.

SPIRIT WEEK

And the Tradition of Spirit Continues

The Seniors win the "tug of war."

Kevin Crowell cheers on the Class of 92.

Christy Pethigal and Todd Zup earn the title of Mr. and Mrs. Legs.

After the Spirit Dance, BHS students continued to exhibit their school spirit the following week. Color Day, Camouflage Day, and Beach Wear Day began the crazy and exciting week and helped to raise the spirit of the school to an amazing height.

The funfilled week came to an end with the traditional pep rally. During this time, the introduction of the fall sports teams took place, along with performances by the band, colourguard, and drill team.

As the various competitions between the classes occurred, it became quite evident that the seniors were far superior to the other students. The Class of 1990 was victorious not only in the Tug Of War, but also in the Pie Eating Contest, which was won by Mark Johnson. Although the Class of 1992 was successful in achieving the Best Decorated Hallway, the seniors prevailed over the other classes in acquiring the all around Spirit Trophy. The spirit of the students carried over to that night at the first football game, where Berlin defeated Farmington, 48-6.

Scott Coletti enjoys the pie eating contest.

HOMECOMING '89

From Uniforms to Suits and Gowns

The shining sun, blue sky, and warm air all aided in raising the spirits of the students on October 7, 1989, also known as Homecoming Day. The festivities began with an exciting victory for the Redcoats, who defeated Hillhouse with a score of 22-16. Following the spectacular half-time entertainment provided by Berlin's own marching band, the queen and her attendants, clad in their dazzling gowns, were driven around the field for all to view. The announcement and presentation of flowers to each attendant followed. Subsequently, the 1988 homecoming queen crowned our new queen, Maureen Scalora.

The gorgeous day continued into the evening as over 100 couples attended the formal dance. With the homecoming theme being "Stairway to Heaven," the couples danced around the wonderfully decorated gym which, due to the efforts of the Student Council, was disguised with beautiful streamers, balloons, and flowers. Although the night eventually came to an end, the events of the Homecoming Day will be remembered for years to come.

Maureen Scalora is crowned by 1988's Homecoming Queen, Jennifer Miller.

Freshman attendant Allison Hall and sophomore attendant Janelle Contino make their way to the center of the field.

Junior Kyle Cooney makes one of the touchdowns in the Redcoats 22-16 victory.

Junior attendant Doreen Pethigal and senior attendant Paula Frisk are chauffeured to the center of the field.

1989's Homecoming Queen, Maureen Scalora and her escort, Mark Gombatz, reign over the dance.

Dana Apostle and Dave Stefanowicz dance the night away.

Suzanne Martin and Jamie Munson say "cheese" for the camera.

The Drill Team and Colour Guard cheer the Redcoats to victory.

Lending A Hand

The two service organizations of BHS are the Service League, which is advised by Mrs. Sandra D'Angona, and the Ophelia Club which is advised by Mr. Avi Ornstein. These two organizations devote their time to aiding the community.

The Service League sponsors a variety of activities throughout the year. In order to raise funds for various groups, they sponsor a fashion show, and a holiday dance. The Service League also donates food baskets to needy people at Thanksgiving. Along with these community services, the service league supports the school by holding a reception which follows the National Honor Society induction ceremony and by supplying hostesses for the Parent-Teacher Conference nights.

The Ophelia Club also plays an important role in helping the community. This past Thanksgiving, they held their annual Interscholastic Food Drive, during which over 1200 cans and non-perishable items were collected from the students. Ophelia also sponsors such activities as the School Turkey Contest, School Sweetheart Contest, and the Toys for Tots project. In addition to these activities, the Ophelia Club holds a Blood Drive in which qualified BHS students are allowed to donate their own blood.

The Service League and the Ophelia Club are two organizations which deserve a great deal of credit and applause for their outstanding services to the school and to the community.

Organizations that Make BHS Unique

Berlin High School students have the opportunity to become active members in two extremely unique clubs. These two organizations are the UpBeat Peer Leadership Program and WERB. Berlin High is one of the few schools in the state which offers these types of clubs to its students. An organization that began with approximately 40 students, the UpBeat program has grown to have eighty dedicated members. This club, under the supervision of Ms. Alice Mitchell, attempts to help adolescents with the social problems that are common to many teenagers. The philosophy of the organization simply states that any adolescent does not have to succumb to peer pressure. The students of BHS also know that they can seek the support and guidance from UpBeat if they feel alone and helpless. The UpBeat Program has sponsored a variety of activities which include not only the school, but the community as well. One of the large activities was the Drug Awareness Day. During this time, a balloon launch was held, and the children and teenagers of the Berlin Public Schools were taught to say "No" to drugs. The unique UpBeat organization certainly deserves its name, for it provides BHS students with optimistic and 'upbeat' feelings not only towards school, but towards life in general.

The radio station of BHS is also a unique club which is offered to the students. WERB allows the students to host their own radio stations to a live public. The availability of a radio station enables the students to be creative and imaginative, for they must keep their audience entertained. WERB also accentuates the students' independence because they, alone, must produce a successful show. Berlin High is extremely fortunate to have the capability of offering these two unique clubs to its students. Not only are the students entertained by their participation in these clubs, but they are also introduced to two very unique professions of counseling and of "disc jockeying."

The Drama Shines at BHS

It is a tense moment in the auditorium as BHS students audition for the annual Drama Club Musical, which is under the direction of Mr. Robert Kelly. After the assignment of parts, the members spend long hours at the evening rehearsals and, as time wears on, the lines and the songs become memorized. The dedication of Mr. Kelly, the actors, the musicians, the lighting, sound and set people, and everyone else who participates in the production is acknowledged when, after their superb performances, they receive a standing ovation from the audience. The senior class has had the chance to participate in the production of four wonderful plays: "Guys and Dolls", "Hello Dolly!", "Anything Goes", and this year's production of "Camelot." A great deal of time and hard work goes into the production of these plays, and the final results are a wonderful three nights filled with thrilling and exciting memories. When the performances are completed, the cast members are rewarded with the traditional cast party, a much anticipated event.

NATIONAL HONOR SOCIETY
The Scholars of B.H.S.

The Berlin High School chapter of the National Honor Society held its annual ceremony on January 12, 1990. The ceremony began with the thirty senior members, led by President Timothy Valuk, Vice President Kathy Bilosz, Secretary Penny Pasakis, and Treasurer Kathy Lee, proceeding down the aisle and onto the stage. After a variety of musical selections were performed by the BHS Chorus, the twenty six candidates were presented to Principal Thomas F. Galvin. Following the stating of the National Honor Society Oath and the signing of the National Honor Society registry by the inductees, Mr. Galvin administered congratulatory remarks to the new members. Assistant Superintendent Dr. Henry Traverso gave the main address while Superintendent Theodore Rokicki made the closing comments. Upon conclusion of the ceremony, a reception took place in the Berlin High School Media Center. The work of the National Honor Society would not be possible without the dedication of its members and its extraordinary advisor, Mr. Thomas D. Warburton.

The officers of the Honor Society include: Treasurer — Kathy Lee, President — Tim Valuk, Secretary — Penny Pasakis, Vice-President — Kathy Bilosz, and advisor Tomm Warburton.

Senior members Jenny Hall and Beth Akasie review the agenda before the ceremony.

Jon Weber and Tim O'Donell are among the procession of former members.

Members of the Honor Society tutor students in the media center after school.

Nicole Palczer accepts a book award for being on the Honor Roll 8 consecutive times.

New members recite the Honor Society pledge before being inducted.

Mr. Ted Rokicki, Superintendent of the schools says a few words of congratulation to all members of the National Honor Society.

Berlin High School Band

The Berlin High School Band, under the direction of Mr. Paul J. Karam, is the major musical ensemble of the school. The initial activity of the band is the annual Band Camp, which occurs during the last week of August. These practices continue Wednesday nights as the band members add the finishing touches to the half-time show that is performed at the football games.

Throughout the past four years, the senior band members have travelled to Virginia and to Disney World in Florida. Pocohontas Restaurant, the Pottery Outlet Mall, and the Polenesian Hotel were the sites of many funfilled adventures and stories that will be remembered by the seniors.

The successes of the band are due in part to the fine leadership of the seniors, who have all lent their services and abilities to creating a wonderful band.

Drill Team: Not Just All Fun & Kicks

Captain Jenny Hall and Assistant Co-Captains Charise Krawciw and Megan Kinary pose with advisor Mr. Smith.

The B.H.S. Drill Team is very active throughout the school year as well as during the summer. The official start of the year for the drill team begins at the end of the summer when members attend a training camp to learn routines and new techniques. The team resumes practice at the Band Camp held each morning during the week before school starts to learn the half time show for football season. This routine is strictly a marching/kickline routine. They are also taught a dance routine to be performed at the pep rally. The team holds practice three times a week during football season. Immediately after the season comes to a close, the drill team begins learning new routines to perform at the winter sports games. The squad ends their year, officially, with an awards banquet for mothers and daughters.

Seniors: Charise Krawciw, Tricia Wojcik, Joanna Simone, Jenny Hall, Sylvia Manuele, and Amy Dickenson.

The Colour of BHS

Colorful, fun, and exciting — The BHS Colour Guard possesses all of these characteristics and more. This squad of twenty-four girls, led by captains Wendy Hayward, Tammy Dossast, and Paula Frisk, has shown their dedication and enthusiasm through many of their spectacular performances. The striking technique displayed by the squad adds to the intensity of the half-time show during football season. Along with performing in the fall, the squad continues to dazzle Berlin sports fans with its original and unique style of entertainment throughout the winter season. Thanks to many outstanding performances, the 1989-1990 Colour Guard will long be remembered.

The 1989-90 Berlin High Cheerleaders

The Berlin High School Cheerleaders initiated the fall athletic season with spirit week. Their enthusiasm spread throughout the school for five days that ended in the Pep Rally: one of the most successful ever. They participated in many rigorous practices to prepare them for the football games that followed. The squad employed skills and ideas to create a top performance team.

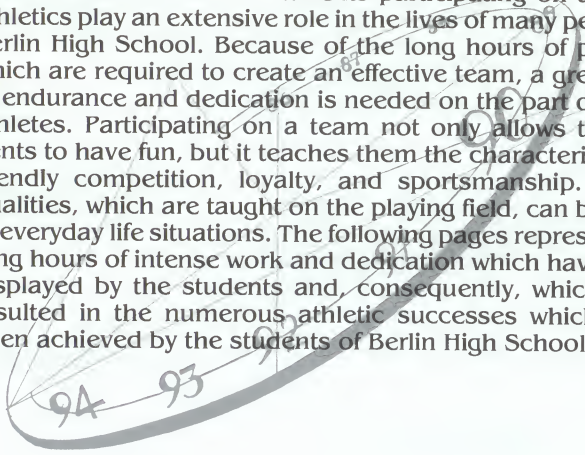
Sports

With over 60% of the students participating on a sport, athletics play an extensive role in the lives of many people at Berlin High School. Because of the long hours of practice which are required to create an effective team, a great deal of endurance and dedication is needed on the part of these athletes. Participating on a team not only allows the students to have fun, but it teaches them the characteristics of friendly competition, loyalty, and sportsmanship. These qualities, which are taught on the playing field, can be used in everyday life situations. The following pages represent the long hours of intense work and dedication which have been displayed by the students and, consequently, which have resulted in the numerous athletic successes which have been achieved by the students of Berlin High School.



SPORTS

Berlin Shuts Out Middletown to Capture NWC Crown

1989 FOOTBALL TEAM

With a record of 9-1, the 1989 Football Team was one of the most successful teams in recent history. Led by captains Kevin Lavender, Bob Mayette and Mike Delsesto, the team cruised through the season with an undefeated record in the Northwest Conference. Time and time again, senior quarterback Todd Zup found the open receivers for a critical first down. Bruising fullback Joe Bogoslofski led the team in touchdowns and helped Berlin control the football. Tight end Paul Guzzardi made several clutch receptions and was key in blocking schemes. The strong defense was anchored by senior Bob Mayette who led the team in tackles. With an unfortunate injury in mid season, senior noseguard Kevin Lavender was not able to play, but he was an essential part of the defense in the season-ending Middletown game. The highlight of the season was the sound defeat of arch-rival Middletown. In this low scoring game, the defense sought out Middletown and Bogoslofski scored the only touchdown to lead Berlin to victory. Rounding out the team were seniors Brent Berardi, Scott Bourgeois, Frank D'Anna, Tim O'Donnell, Jamal James, Tony Wagner, Steve Cardello, Randy DiYulio, Tim Testori, Jeff Dorau, Marc Lalama and Mark Johnson.

Bumps, Kicks and Goals

1989 BOYS' SOCCER TEAM

Led by Senior captains Rob Manzo and Sean Garrison, the Boys' Soccer team completed a very successful season with a winning record. Manzo led the high powered offense with several goals. The defense was anchored by Garrison and junior Mike George, who was an all-conference selection. Goalie Jason Marginello, a junior, helped limit the opposition to very few goals. The addition of senior exchange student John Dahlberg, another all-conference selection, helped the team immensely. Dahlberg excelled in all facets of the game and he was truly a team player. The high point of the season was a stunning upset over heavily favored arch rival Plainville. This thrilling victory carried the team into the state tournament where they suffered a tough defeat to Waterford. Overall, it was a very successful season for the very young team. The team consisted primarily of juniors and this presents a bright hope for the future of Berlin Boys' Soccer. Other members of the team are juniors Mike Church, Jake Kritzer, Glen Dube, Mike Mangiafico, Dave Albert, Dave Caliandri, Greg Richards, Sean Boucher.

A Kick in the Right Direction

1989 GIRLS' SOCCER TEAM

It was just like any other win in a soccer matchup, just a matter of scoring two more goals than the opposing team, or was it? The girls' soccer team victory over Maloney with a score of 3-1 was just decisive enough to put the Lady Coats into that bracket where only the best of the best can play — the tournament for the state championship. Coach Sheila King, along with Assistant Coach Rick Hanbury, would later refer to the game as a "blood and guts" battle, where Berlin, in the end, was the only one left standing. This was the fifth time of a six-year history that the soccer players of Berlin would make their appearance in Class M State Tournament. And so under gray skies and storm threatening weather, Tri-Captains Alyson Mosher, Jen Baccaro, and Nicole Palczer led the enthused club to victory. Junior, Jen Baccaro, put up a secure defensive front from the net as her skill and talent showed through the cracks of her sixth win of the season. Also a junior, Jeanne Marier led the team with a season high of 13 goals. The senior members, Alyson Mosher, Bev Larson, and Marjorie Fraser completed their year with an unblemished role of victories left in their memory.

Crossing the Finish Line First

1989 BOYS' CROSS COUNTRY TEAM

Senior members of the Boys' Cross Country team are Dave Spinelli, Mike Garbiel, and Pete Jones.

Pete Jones speeds up his pace as he races towards the finish line.

Due to a rapid decline in participation, the Boys' Cross Country team did not have a winning record. The decline in student interest in cross country is the main reason for the lack of success and it should be noted that unless the interest increases, the Boys' Cross Country Team will not be competitive in the Northwest Conference or in the state. However, each of the ten members exerted his maximum effort. The season started on a high note with a victory over Canton, September 13 at Sage Park. Kevin Cote was the overall winner of the 3.1 mile race with a time of 19 minutes and 35 seconds. The season ended at the Northwest Conference Meet where Kevin Cote placed fourteenth. The team is led by captains Dave Spinelli and Kevin Cote. Other members include Mike Garbiel, Pete Jones, John Frink, Scott Cherrannian, Mark "Mangler" Melnyk, Tim Ozbourne, Chris Bamat, Daryn Paladino, and Jed Davis.

Leading the Pack

1989 GIRLS' CROSS-COUNTRY TEAM

Charise paces herself on her way towards the finish line.

The team pauses at a meet for a picture.

With the swift feet of Carolyn Noonan and Andrea Johnson leading the way, the Berlin Girls' Cross Country Team soared to victory, landing fourth overall in the conference. The two underclassmen captured the best times of the season gaining 21:07 for 2.75 miles and 23:36 for 2.75 miles respectively. Coach David Scannell formed the club from just a few daring girls into an enthusiastic group of runners. Though the bulk of the organization's speed rested in their youth, Charise Krawciw, Laura Swain, and Beth Kuhnly were the senior leaders who drove the team to excel each day in every endeavor. Cross country is a sport of endurance, a sport where motivation does not lie in cheering crowds lining the miles of grueling struggle to be the best. It is only the pure love of running which inspires the members of the Cross Country team, and if victory just happens to come down the road — why not!

Taking It All the Way

1989 VOLLEYBALL TEAM

It was with the most simple techniques in the sport of volleyball that the Berlin Lady Coats reached the Class S State Finals — a bump, a set, and a spike. They finished off the defending champs, Stamford Catholic, in four games of the semi-final tournament, bringing them the furthest any Berlin volleyball team has ever gone. Although their coach, Bob Tarigo, credited them with being a serving team, it was in all aspects of play that the Coats triumphed in the end with a 17-5 overall record. Senior Co-Captains, Cynthia Gozzo and Lynn Simeone led the club with their tremendous serving, spiking, and overall leadership from start to finish of not only the semi-final match-up, but the entire season as well. Liz Miller, in the back court, executed her bumping skills to perfection. Kathy Lee, Amy Greaney, and Diane Geschimski, also seniors, completed the backbone of the victorious club.

Striving For A Perfect 10
1990 GYMNASTICS TEAM

The Berlin-Farmington meet was the scene when the Berlin High Gymnastic Team would truly surpass their very best efforts of the season. Their overall season high score was 115.6, as Allyson Mosher and Sue Church achieved first place in vaulting. Senior, captain of the team, Allyson Mosher also placed in the floor exercise and all-around. Holding a 6-4 record mid-season, the gymnastic team was drastically improving. Coach Janet Whippo and her assistant, Kristen Moon, helped propel the goals and hopes of the team. Senior, Allyson Mosher and junior, Jennifer Godfrey served as captains and leaders for the gymnastic team, as senior Beverly Larson filled the position of manager. Hard work and high expectations were the only inspirations these ladies needed to become the best they could be. With the hope to qualify for the state open, at the season's conclusion, the athletes are driven even more to attain the grace, the agility and the perfection of a perfect 10!

Underdog Berlin Defies the Odds
1989-90 GIRLS BASKETBALL TEAM

It was an "all out war," as Coach George Hall stated, referring to the Berlin-Aquinas game which served as a stage for the two arch rivals. However, the game does not end until the buzzer sounds and with only two seconds on the clock, trailing by one point, the Lady Coats were not about to surrender. It only took these two seconds for Jen Baccaro to throw a half court pass to Kathy Bilosz, leading to a 40-foot desperation shot which found its mark to give Berlin a two point victory over the devastated Aquinas.

The early critics had said that the Lady Coats, in their 1989-90 season, would prove to be a hopeless and uninspired group of athletes. They said that the remaining veteran players would never surpass the Berlin teams of the past. They were wrong! From start to finish, it was not only "Lady Luck," but an undaunted spirit of determination and dedication which guided them to victory after victory. Their regular season left only two losses on the Coat's record, as they stunned their opponents with impossible plays and efforts. The NWC crown also found its way into Berlin's hands for the third season in a row. The senior tri-captains of the 1989-90 team are guards, Cynthia Gozzo and Melissa Eshoo and forward, Kathy Bilosz. Paula Frisk, also a senior, plays as a starting forward for the club. The Berlin J.V. Club of 1989-90 is a great inspiration for the future, led by former UCONN hoop star, Coach René Najarian.

1989-90 BOYS' BASKETBALL TEAM

Being one of the tallest teams that Berlin has ever had, the 1990 Boys' Basketball team is midway through a very competitive season. With the addition of 6 foot 4 inch guard Cory McGee and six foot guard Tim Whittaker, both seniors, the team has added depth, quickness, height and ballhandling. Selected as a pre-season honorable mention, all-state player, Cory McGee has brought the element of dunking into Berlin basketball. At six foot 7, junior, Forrest Connoly dominated the lane snatching rebounds intimidating the opposition by blocking shots. At the forward spot, senior captains Ron Frisk and Ray Mendoza are slashing-type players with dazzling moves. The season-opening game at St. Thomas Aquinas, the states number 1 ranked team, was an exciting game with action on and off the court. Unfortunately, Aquinas prevailed despite a stellar performance by our team. Berlin thoroughly dominated both contests against arch-rival Plainville in low-scoring affairs. Other highlights include thrilling victories against Lyman Hall and Prince Tech. Other members of the team include juniors Dave Swanson, Jake Biscoglio, Steve Winiarski, Jim Percival and Mike George.

This year's Berlin Redcoats are led by senior co-captains Ray Mendoza and Ron Frisk along with Coach Ken Parciak.

Six Minutes of Pressure

This phrase is representative of the work ethic, persistence and mentality of each and every Berlin wrestler. While undergoing extreme physical challenges, each wrestler is pushed to the limit by Coach Jim Day. By emphasizing strength, endurance and technique, Coach Day has created one of the finest wrestling programs in the state. With only limited student participation, Berlin is able to compete with much larger schools by hard work. As evidenced by the team's recent results, the work is paying off. The team has won two out of the last three state championships and has captured six consecutive Northwest Conference titles. In 1989, the team finished an outstanding season by claiming the Class M state championship and finishing second in the State Open. The team's success has resulted in a very tough schedule as Berlin wrestles every top ten team in the state. Also, the Berlin tournament is one of the premier tournaments in the state and student interest in the sport is on the rise because of the team's reputation. The wrestling program truly demonstrates hard work and team spirit and because of this Berlin is now considered a wrestling powerhouse.

Berlin Outduals the Competition
1989-90 WRESTLING TEAM

After a spectacular 1988-89 wrestling season and losing eight starting seniors, the Berlin wrestlers have once again combined skill with one of the finest coaching staffs to produce a talented and successful team. Head coach Jim Day, assistant coaches Todd Pamparo and Jim Soyka, and the five senior captains led the Redcoats to their sixth straight Northwest Conference Title. The wrestlers finished their season with a 15-4-1 dual meet record in addition to winning their own varsity tournament and placing second in the over-competitive Danbury Holiday Invitational tournament. The Redcoat wrestlers won the Class M State Championships three years ago, and they repeated the feat last season. The wrestlers have a good chance of winning back-to-back state championships in the 1989-90 season. With the proper mental and physical guidance these wrestlers have emerged as a team capable of maintaining the great legacy that has been left to them. Although he was plagued by injuries, most notably a fractured thumb, Matt Glana completed the season at 119 lbs., and Glana finished the season undefeated (7-0). At the 125 lb. weight class was Vinnie DeFrancesco. The senior placed second in the Berlin Invitational while owning an 8-5-1 record. Senior captain Mark Serafino slipped into the 130 lb weight class. Serafino finished his final wrestling season with an impressive 22-4 record, while placing second in the Berlin Invitational and first in the Danbury Tournament. Also, in the 130 lb. weight class are seniors Eric Fairchild and Dave Spinelli. Fairchild's junior varsity record was 9-1, while Spinelli's was 3-6-1. Senior captain Bob Marhoiln began the season in the 140 lb. weight class but dropped to 135 lbs. when Serafino slipped to 130 lbs. Marhoiln completed his season with a 16-6-1 record while placing second in the Berlin Invitational. After Marhoiln dropped to 135 lbs, senior Tim Valuk and junior Mark Gombotz battled for the now-vacant starting position at 140 lbs. In the end both saw their equal share of varsity matches. Gombotz finished his season at 8-3. Valuk, 4-0 at the junior varsity level, began his wrestling season in the 145 lb. weight class, but dropped to 140 lbs. when the position became available. Valuk complied a record while filling in at weight class ranging from 140 lbs. to 152 lbs. The fourth senior captain, Jeff Glantonio, wrestled at the 145 lb. weight class for most of the season. After placing second in the state last year, Glantonio finished the 1989-90 wrestling season with a 21-5 record, placed second in the Berlin Invitational, and captured third place in the Danbury Tournament. Tim Testori, the final senior captain began his season at the 160 lb. weight class. Midway through the season, however, he and junior Chuck Emmons performed a weight class swap. Testori finished his season at 10-8. His tournament placings include second at the Berlin Invitational and third at the Danbury Tournament. Emmons owned a 15-4-1 record. He also captured second place in both the Berlin Invitational and the Danbury Tournament. Senior Chris Jedrzejczyk wrestled at 171 lbs. and finished the season 15-7-1. He locked up second place at the Berlin Invitational. At 189 lbs. was senior Mark Johnson. Johnson compiled a 20-6 record while placing second in the Berlin Invitational and the Danbury Tournament. Sophomore Josh Clifford, wrestling in the heavyweight division, finished his season with a 21-12 record. He placed second in the Berlin Invitational and won the Danbury Tournament. With state championships looming on the horizon, the senior wrestlers along with their teammates, have one last opportunity to prove themselves and uphold their winning tradition.

A Team That's Above Par
1989-90 GOLF TEAM

The Golf team is probably one of the most underrated and underpublicized sports in Berlin. The team has won three consecutive state championships, yet some Berlin High students do not even know that such a team exists. Led by the second winningest head coach in the nation, Don Bates, the team has been practically unbeatable in recent years. National Semi-Finalist John Veneziano claimed two individual titles while leading Berlin to both team titles in 1988 and 89. The 1989 Golf team had an unbelievable season. Suffering only one loss to traditional powerhouse Staples, the team avenged its sole loss later in the season by soundly defeating Staples. At the State Tournament, Berlin's four golfers distanced themselves from the rest of the field by playing impeccable golf. With a nine shot differential over the runner-up, the team easily claimed their third straight state championship. The only remaining player from these outstanding teams is senior captain Keith Hartan. Hartan was 20 and 2 at fourth position, and was a key player throughout the season. Hopefully, Hartan and his teammates can keep the streak of championships going while maintaining Berlin's reputation as the best golf team in the state, and perhaps the country. Other members are John Lineen, Eric Seaburg and Kyle Gallo.

Special Feature, Don Bates, Golf Coach

Nationally Recognized Coach Is Inducted Into the Golf Hall of Fame.

Having the second most wins of the only high school coach in any sport, Golf Coach, Don Bates personifies excellence. With well over 500 golfing victories in a career that spans nearly thirty years, Bates has established his place in history as one of the greatest coaches ever, if not the greatest, in high school sports. Bates' commitment to excellence has rubbed off on his players who have captured three consecutive state championships between 1987 and 1989. During Berlin's reign as state champions, Jon Veneziano was a two-time individual champion as well as a national semi-finalist. Veneziano, now at the University of Hartford on a golf scholarship, brought much media attention to the team as they thoroughly dominated the competition. Bates' coaching philosophy and work ethic have resulted in state championship teams, top notch golfers and good human-beings. Don Bates has defied the odds by coaching for nearly thirty years. His thirty years as coach have been filled with success and enjoyment because he truly enjoys teaching kids the fundamentals of golf. Don Bates is unquestionably one of the greatest golf coaches of all time; but more importantly he is also a great person, which is evidenced by his induction into the Golf Hall of Fame.

Victory on the Track and in the Field

1989 BOYS' TRACK TEAM

The 1989 Boys' Track team completed the season with a winning record. Three members of the team concluded a very successful season with individual appearances at the State Meet. A tremendous all around athlete, senior Joe Bogoslofski competed in the state meet in many of the sprints and in the shot put. Senior Tim O'Donnell competed in the long jump, triple jump, and high jump, at which he excelled. Senior Robert Bosso was an all-conference selection as he competed in throwing the javelin. Overall, the track team was very successful. This is especially notable in that there are no track facilities in Berlin and all of the meets are away. As a result, the track team is always at a distinct disadvantage and is fighting an uphill battle to be competitive in the conference. Other senior members of the Boys' Track team are Peter Jones, Jamal James and Mike Garbiel.

Striving for Excellence

1989 GIRLS' TRACK TEAM

Lynn Simeone of Berlin's Girls' Track team led the charge for the successful 1989 States Tournament with a 100m qualifying time. Nicole Palczer entered states for the 400m. Lisa Radivich, a senior, followed for the hurdles division, while the throwers' category was filled with Berlin athletes, Diane Geschimsky, Bev Larson, Amy Greaney, Becca Armstrong and Amy Zuffelato. The 4 by 4 team, including Celeste Duran, Megan Kenary, Nicole Palczer, and Jen Gable, also went on to represent Berlin in the Class M state tournament. Coach Al Pelligrinelli and Coach Sheila King led the team, with high expectations for the next season when veteran seniors will fill their team. Those returning seniors are Lynn Simeone, Diane Geschimsky, Bev Larson, Amy Greaney, Alyson Mosher, Wendy Hayward, Sylvia Lima, Laura Swain, and Dawn Dittmar. Track is, for the most part, an individual sport, a challenge of one against her own will to succeed. Though only statistics and titles result from the hours of determination and drive, it is the success from within, and the satisfaction of giving their all, that will live on in the spirit of the Berlin Track team.

1989 BASEBALL TEAM

The success of Berlin's baseball program starts at the instructional level and continues to the high school level. The Little League and Babe Ruth programs have national recognition with Connecticut, New England Championships and two Babe Ruth World Series appearances. At the high school level, the 1989 Boys Baseball team completed a sparkling season with a lopsided 7-2 defeat of Stamford Catholic in the State Championship. The team was ranked first in the state all season and the team's sole loss came at the hands of Middletown. The team is led by southpaw and pro prospect, senior Sean Garrison. After throwing several shutouts and stopping Stamford Catholic in the finals, Garrison was named to the All State Team. The other pitcher is junior southpaw Dave Swanson, who may be as good as Garrison. Like Garrison, Swanson went undefeated throughout the regular season and state tournament. Another contributor to the state's best team is Scott Coletti. Coletti made several diving catches from his centerfield position to thwart rallies by the opposition. Senior catcher, Rob Manzo, was a key ingredient in the team's success. His handling of the pitchers was excellent as was his pitch selection. Manzo came through with several clutch hits in close ballgames. Up the middle, Berlin's defense was errorless. The doubleplay combination of Tony Santoro and Matt Giana limited the opposition offense by turning several spectacular doubleplays. With all of the key starters returning, the 1990 Boys Baseball team expects to capture its second consecutive State Championship. Other members are senior Todd Zup, juniors Jake Biscoglio and Dan Dombrowski, and sophomore Kevin Crowell.

1989 GIRLS' SOFTBALL TEAM

It was no-hitters upon no-hitters which dominated the defensive game of the '89 Girls' Softball team. And there was no one else to blame for the awesome outcome but Junior pitcher, Monica Early. This season brought her national recognition as ESPN highlighted her tremendous accomplishments on televisions across the country. The team became enthused by the attention as they set out undaunted by one of their toughest schedules ever to, in the end, receive the title of NWC Champions. Senior Co-Captains, Kerry McCormick and Deb Larson, led a final record of 18-4, while the team as a whole received 242 overall hits by the season's end. Coaches Ken Parciak and Rick Hanbury were proud of the entire team's efforts and accomplishments. Jen Baccaro, a sophomore, along with the returning senior lineup, will seek to maintain their outstanding offensive efforts in the season ahead to reassure Berlin its continuing place of prominence. The returning senior members include Monica Early, Cynthia Gozzo, Kathy Bilosz, Paula Frisk, Suzanne Martin, Rachael McLoughlin, Tammy Dosset, Theresa Wayaz and Diane Heslin.

1989 BOYS' TENNIS TEAM

In recent years, the Boys' Tennis team has established itself as one of the premier programs in the area and state. Led by number one Jamie Munson, who won the state doubles championship as a sophomore, the team completed a rain shortened season with a 9-4 record. Losing twice to eventual state championship Farmington and Class LL powerhouse, Staples, the team was highly competitive both in the conference and in the state. High points in the season were tremendous wins against 1989 Class M State Champion Brookfield and eventual 1989 State Champion St. Josephs. At the Northwest Conference Championships, Scott Spooner and Ken Naide upset the Number One ranked doubles team in the state with a come-from-behind 7-6, 6-4 victory. This thrilling win propelled the team into the state tournament where the team finished as runner-up for the second consecutive year. Munson lost to eventual singles champion Elizabeth Barker, in the quarterfinals. Spooner and Naide were defeated in the quarterfinals by the second ranked doubles team who advanced into the finals. With every starter returning, the 1990 boys Tennis Team is favored to win the state championship. The team is led by senior tri-captains Jamie Munson, Ken Naide and Scott Spooner. Other members include seniors Jon Weber and Jason Lukens, junior Tai Nguyen and sophomore Todd Degroff.

1989 GIRLS' TENNIS TEAM

Katie scoops up a low volley as her partner Beth spectates.

Jeanne Marier and Cathy Zigmund combined to form the duo who, in the final stages of the 1989 season, claimed the Girls' Tennis NWC crown. It was a 4-6, 7-6, 6-1 victory which gave the doubles team a champion title for Berlin High's record books. It seemed to be the consistent building of victories which raised the team to a second place standing in the NWC.

The season of 1989 had brought a farewell, as Coach George Hall turned the Lady Redcoats over to Coach Jerry Havell. A final record of 7-8 was achieved with hard work and effort. It was only tireless endeavor and lasting spirit which raised the girls' team to their outstanding level of achievement. The senior members for the 1990 season include Jen Dorio, Robin Ruta, Jill Christiano, Kristin Glabau, Karen Pac, Beth Akasie, and Katie Brown.

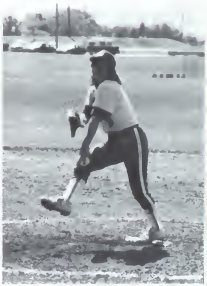
Bottom — Cynthia Gozzo: Volleyball — wears same knee pads on same knees. Basketball — same socks, french braids her hair.

Outstanding Athletic Achievers

If there ever was, in the Class of 1990, a finer tribute to the art of sport, it may be seen in the endeavors and the accomplishments of Cynthia Gozzo. She has participated in a total of twelve seasons of sports throughout her four years at Berlin High School. Going from volleyball in the fall to basketball in the winter, to softball in the spring has been her continuous schedule throughout her high school years. Cynthia also managed to capture all-conference and all-state honors in volleyball. It is her untiring dedication to each sport and precision in athletic ability which has allowed her to find excellence in every path she follows.

Patience and dedication were the tools which Monica Early used throughout her high school softball career to achieve excellence in the position of pitcher. By the end of junior year she held the school record of 12 overall no-hitters and reached a stunning 622 strikeouts. Monica gained the attention of the national television network, ESPN, as her career achievements were highlighted on Scholastic Sports America. The girls' softball team was left inspired for four seasons by the determination and talent of Monica.



Seniors

Senior year is thought to be the year of fun. It is a year filled with parties, early dismissals, and lunches in Senior Court. After three strenuous years of studying, we have earned the right to lessen our work load and allow more time for amusements. 'Senioritis' has set in on all of us, for, if given the chance, we would all spend a day at the beach rather than at school.

This year of fun, however, is filled with many stressful times as well. SAT's must be taken and college applications must be completed and mailed. As the acceptances and rejections, arrive, we must eventually decide where we will be spending the following years of our lives.

After all of the decisions have been made, we can once again return to our normal lifestyles and devote our attentions to joyous, carefree moments with our closest friends. Although high school will eventually end and we will go our separate ways, none of us will forget the wonderful times that were spent with each other.

Mrs. Bryers

A friend and a teacher, a confidante and a disciplinarian, Mrs. Bryers has helped us, the Class of 1990, to become better people. Beginning in the fall of 1986 and ending with the spring of 1990, she has witnessed us grow from timid, scared freshmen into mature, respectable seniors. In her own way, she has played a role, however large or small, in shaping us to become who we are today — responsible young adults. For this reason, her friendship and caring attitude will remain a memory of ours forever. Thank you for all that you have helped us to accomplish during our years at B.H.S. We love you, Mrs. Bryers! The Class Of 1990!

Good Friends

Good friends: close together like they're of book-ends. Feeling what the other one is feeling. They never seem to be without those little things to laugh about.

Good friends: they have that kind of love that only deepens. It's something that you rarely find worth keeping. Oh, people leave and new ones come. You're lucky if you find just one good friend.

And we say goodbye knowing what we've had won't fade away. We'll meet another time, another day, my friend.

Good friends, they may not see each other again. But in our hearts, they are on a road with no end. Where life will take us who can tell. Now it's time to say farewell, my friend.

The Other Half of The School Day . . .

There's more to life than school.

As the 90's approach, more high school seniors are working than ever before. Rising college costs are a main reason for the increase in the number of seniors who are employed. Students also wish to have a car and pocket money to spend on a night on the town. Some seniors feel that it is an invaluable experience to have a job to prepare for the future while others claim that; "My parents make me work." A good percentage of seniors actually enjoy their jobs, but others endure the extreme boredom for the sake of money. Because Berlin is a center for much commercial and social activity, jobs are readily available, and finding one is not difficult. Finding a well paying and enjoyable job, on the other hand, is very difficult. Places of student employment include restaurants, drug stores, gas stations, shopping malls and movie theaters. Many students are also working at several volunteer organizations. A sampling of jobs includes amateur pharmacists, stockboys, cashiers, waiters/waitresses, and chefs. Overall, Berlin High seniors feel that part-time employment is a learning experience and it provides a chance to meet new people and make some money.

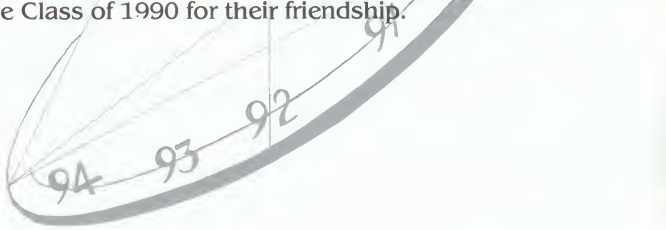
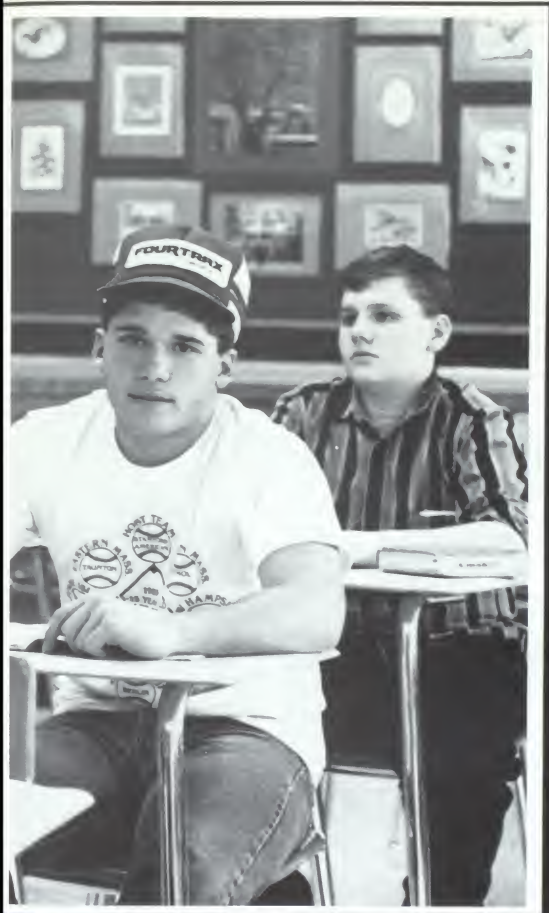
Underclassmen

Throughout the year, the underclassmen have contributed greatly to the atmosphere of Berlin High School. Along with participating in many school functions, they have shared their unique ideas with the students as well. The freshman, sophomore, and junior classes have produced a variety of creative, intelligent, and talented individuals who use these characteristics to improve the environment of Berlin High. Although the underclassmen will remember the seniors for a variety of reasons, they will be remembered by the Class of 1990 for their friendship.





UNDERCLASSMEN

Fearless Freshmen
A Time For New Beginnings

As we entered Berlin High School for the first time, our imaginations were running wild with horror stories of initiation, "jock hall" and upperclassmen. As time progressed, we realized that high school was not as scary as was previously thought. No heads were shaved at initiation and no students were trampled over while passing through jock hall. And, with the help of big brothers and sisters, high school life was made much easier. The commencement of freshman year introduced us to a variety of new beginnings. Such activities included a greater abundance of homework, interaction with a more mature group of people, and an increased social life. Although this year included many new and exciting opportunities for us, we are looking forward to our next three years with great anticipation.

Looking Ahead — Class of 1992

The majority of sophomore year is utilized in planning for the future. This year, we began to make arrangements for our junior prom and our senior ball. We also selected and ordered our class rings — an activity that was anticipated by all. During this year, the sophomores participated in many successful fund raisers in hopes of raising money for the following two years. We sophomores have also begun to think about the years following our graduation from BHS. We not only took career tests, but we were also introduced to the PSAT exams. Sophomore year is a year filled with ambiguity. We are no longer the "low men on the totem pole", yet, we are still not considered to be upperclassmen. We can only wait and dream about our last, and best, two years at BHS.

It's Almost Time
The Agony of Junior Year

The coming of junior year meant our progression from underclassmen to upperclassmen. The year held many decisions for all of us. It was a time to begin our search for the perfect college and to plan for our future. The junior officers were extremely busy with their plans for a successful prom and senior ball and with their attempts to raise money for the class. Jake Kritzer and John Curtis were both reelected for a third and a second time, respectively. The elections of Sara Suranna and Jen Baranowski made way for an unbeatable team of juniors. Although it seems as if we have been at Berlin High for an incredible length of time, our senior year, and our time at BHS, will rapidly come to an end.

Academics

The Class of 1990 will graduate approximately 200 students. Many of these students will enter a variety of occupational fields which include business, mathematics, education, engineering, medicine and law. Others will intensify their knowledge of athletics, music, literature, and writing. This diversity of interests is the result of one thing — the administration and teachers of Berlin High School. The teachers share their wisdom with the students in such a way that the students become interested in the subjects they are studying. Many of the teachers are also the students' friends. It is nice for a student to know that he can turn to a teacher or an administrator for help in any situation. Consequently, BHS students should be thankful to have such intelligent, dedicated teachers and administrators as their educators.

We, the Class of 1990, invited the faculty to contribute some words which are meaningful in their lives. They replied . . .

Thomas F. Galvin
Where are the snows of yesteryear?

Thomas Warburton
Humor . . . is right at the top with love and communication in the hierarchy of our needs.

Sally Grady
. . . To leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition; to know even one life has breathed easier because you have lived . . .
Ralph Waldo Emerson

Christine Colaiacovo
I do my thing and you do your thing. I'm not in this world to live up to your expectations, and you are not in this world to live up to mine. You are you and I am I, and if by chance we find each other, it's beautiful. If we don't, it can't be helped.
F. Perls

Judith Cowell
There are as many nights as days, and the one is just as long as the other in the year's course. Even a happy life cannot be without a measure of darkness, and the word "happy" would lose its meaning if it were not balanced by sadness.
Dr. Carl Jung

James Day
Nothing in the world can take the place of persistence. Talent will not; nothing is more common than unsuccessful men with talent. Genius will not; unrewarded genius is almost a proverb. Education alone will not; the world is full of educated derelicts. Persistence and determination alone are omnipotent.

Carol Virostek
Ideal teachers are those who use themselves as bridges over which they invite their students to cross, then having facilitated their crossing, joyfully collapse, encouraging them to make bridges of their own.
Nikos Kazantzakis

Rex Smith
I believe the children are our future — teach them well and let them lead the way. Show them all the beauty they possess inside. Give them a sense of pride to make it easier. Let the children's laughter remind us how we used to be.

Evelyn O'Hagan
Most of what I really needed to know about how to live and what to do; and how to be, I learned not at graduate school; but in Kindergarten. Everything you need to know is there somewhere. The Golden Rule, love, basic sanitation, ecology, politics, and sane living.

Class Acts

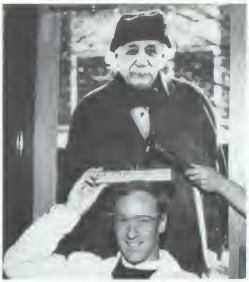
Among high school students today the complaint, "School is boring!" is commonly heard. Yet, in fact, there are many people at Berlin High School who go to great lengths to create a diverse array of classes which cover a wide variety of subject matter. Every day these teachers attempt the seemingly impossible task of enlightening students in an interesting and exciting manner. Such classes add a little excitement to our otherwise hum-drum schedules which revolve around the necessary "reading, 'riting, and 'rithmetic." Check out some of these classes taught by just a few of the amazing people who help make Berlin High School an extraordinary place for learning.

Aside from French and Spanish, students are given the chance to learn the language and culture of Russia in a class taught by Mrs. Daniels.

As media director, Mr. Havel not only helps run the school's television and radio station, but also teaches a class in media production.

In home economics, Mrs. Dennis not only teaches students how to make some delicious foods, but allows them to sample their creations, too.

Mr. Ornstein helped give Humanities students a more realistic impression of the middle ages by dressing in the clothing of a 14th century peasant.



With a little help from Albert Einstein, Mr. Hanbury uses his black belt skills to demonstrate Newton's Laws to students.

The newly formed Humanities class taught by Mr. Calise and Mrs. Daniels offered students the opportunity to travel to NYC and see La Boheme.

In Mrs. Collacovo's sociology class, students enacted marriage ceremonies . . .

Mr. Kelly offers electronic music courses which allow both the amateur and experienced musicians to use state of the art instruments.

. . . And formed families in order to discover first-hand what it felt like to manage a family unit.

Advertisements

We would like to take this opportunity to thank all of our advertisers for their support of our yearbook. Without them, we could never have produced such an elaborate book. It is with great sincerity that we extend our deepest gratitude to the advertisers.

Autographs

While the limited pages of this book were unable to accommodate all of the wonderful occurrences that we have experienced together, they have tried to capture some of the most significant times of our high school years. Although each separate picture in this book depicts one specific moment in time, the yearbook as a whole is a representation of one moment in the entire fabric of our lives. Now as we prepare to leave Berlin High and go our separate ways, we would like to sincerely thank all those people who have helped us to learn, grow and achieve during this special time in our lives.
